

// Freelance Web Designer

Freelance Web Designer

To apply please contact to:
david@weareghost.com

**Working in partnership
with the brave,
the forward thinking
and the game changers.**

We are always excited to find new talent to help enhance our team and we currently need a freelance Web Designer/Developer.

We have a number of new projects that we could do with your help on and we'd love anyone who thinks they can help to drop us a line. We want to utilising your experience of design and web skills.

Skills we value in our team members:

- Ability or willingness to develop open communication
- Initiative spirit
- Prioritising your work
- Commitment to work and delivery
- Resilience and creative problem solving

We need you to help our digital team!

- Develop websites ensuring that it meets current customer needs
- Customising WordPress themes using PHP and CSS
- Creating HTML email newsletter templates

Who should you be?

- Remote working useful, but we may need you to work from the office from time to time
- Demonstrative knowledge of WordPress, CSS, JavaScript, MySQL, HTML and a knowledge of Sitecore would be useful
- A demonstrable self-motivator, experienced at successfully delivering against challenging goals and targets
- Strong attention to detail and good communication and organisational skills
- Ability to work on own initiative, under direction
- Curiosity for digital media with understanding of usability
- Able to share opinions and ideas
- Commercial or agency experience (Desirable)

Job Type: Freelance

Experience: 3 years (minimum)

Work remotely: Yes
